*This growing event provides a unique opportunity to reach well beyond the Saratoga community thanks to the many Artisans we attract from all over who in turn do their own marketing and promotion through their well established social media presence and strong customer bases. We would love to talk more about this opportunity, if you have any questions or if you are ready to sign up, let us know. The sooner we hear from you the better so we don't miss our publishing deadlines. Thank you for considering sponsorship of the event!*
