Grow Our Catholic Faith
Learning Modules

The following is the list of mandatory learning modules to be completed and the themes covered in each one. Some are tied thematically to specific dates (although, if it is not feasible for you to complete them at that time, they may be completed later), others are tied to other aspects of the Catholic faith. Other learning modules may be made available and are encouraged to be completed, but these cover the full range of the Diocese of San Jose’s Catechetical Standards and are the only mandatory ones.

**Election Day**
