- Applications will continue to be accepted until the Faire is full, however table and electrical availability are on a first-come-first-served basis.
- The California State Board of Equalization law requires that each vendor possess a current seller's permit. There is no fee for the permit. For more information visit: <http://www.boe.ca.gov/info/reg.htm>

Booth Information:

- Vendors supply all necessary items for display including tables, extension cords and tablecloths.
- A table may be rented for \$15 (8ft).
- The booth is 8' wide by 10' deep. We recommend a horseshoe layout with customers walking into your booth area. This will keep aisles open and customers able to spend more time looking at your merchandise.

- Vendors supply their own packing materials.
- Pop-ups are not allowed inside Geary Hall or the tent. There is a 6ft height limit on shelving and booth walls.
- Booths must be staffed throughout the event. Volunteers will be available for breaks.
- Food vendors will be contacted about any necessary forms and/or permit requirements.*
- Food vendors need to comply with SCC Health Dept. Food Sampling guidelines.*
