

Sacred Heart Bereavement Ministry

Support for the Grieving

Our Mission:

Our Lord assured us that those who mourn are blessed and that they shall be comforted. The Bereavement Ministry provides us with the opportunity to embrace compassionately more fully those members of our parish who are grieving the loss of a loved one, so that no one will have to grieve alone.

Many of us have experienced loss and walked the healing journey. We invite you to offer compassion, wisdom and to be a listening presence to help others find their way through the grieving process.

Every time you serve one of God's people, you become a disciple of Jesus. In that moment, you are sharing Christ's love, comforting compassion and hope when it is most needed. You are a beacon of the light Christ asked us to share through service. We pray that those who are experiencing great sorrow may be led from the profound sadness of loss to the joy of shared moments.
