

KITCHEN ANGEL MINISTRY

The Sacred Heart Kitchen Angels are volunteers that are here to help you in honoring your loved one by providing a loving reception here in our Notre Dame Hall.

We will assist you by providing an assortment of both hot and cold beverages as well as homemade cookies. We will arrange and set up the hall to accommodate your group. We use linen tablecloths and colored toppers. We will custom make floral arrangements for the tables as well as provide clean up after the event. We will assist in plating and serving any food you choose to order with a caterer. We provide all paper products and will serve beer and wine provided by you. Our venue also includes audio/video capabilities for your custom video tributes and music.
